

ICAME45, 18-22 June 2024, Vigo

Second Circular (March)

Dear ICAME45 participants,

The provisional programme is now ready and available on the website.

Sessions will run in three parallel rooms and all computers have MS Windows. The computer in Room 1 has USB-B and USB-C ports; the computers in Room 2 and Room 3 have HDMI. We advise presenters to bring a back-up copy in PDF format.

We encourage participants to proceed with registration taking advantage of the early bird fees, by 30 April. We would also like to remind you that we have blocked a number of rooms at the hotel venue at a special rate. Bookings must be made directly via the hotel by email or phone (not via online booking sites).

Kind regards,

Nuria Yáñez-Bouza

Chair of the Organising Committee
